# INTER LIVERY SKI CHAMPIONSHIPS

## Overview

The Inter Livery Ski Championships is entering its 4th year. In the first three years over 250 liverymen and women, freemen and women from 25 livery companies have entered teams.

Racing takes place in Morzine, France in the Portes du Soleil area just an hour south of Geneva which has many cheap flights from all parts of the United Kingdom. It is a picturesque old style Savoyard town with a bustling town centre which has retained much of its character and charm with a strong French flavour.

The town lies in the heart of a massive ski region and boasts that it is the largest international ski area in the world. There are a total of 14 resorts providing 650km of skiing suitable for mixed abilities. Avoriaz, Chatel, Les Gets, Morgins, Champéry are a few of the villages in the immediate area. The Portes du Soleil has something for everybody. Families, weekend skiers and those that just want to relax and enjoy the spectacle are all welcome.

## Why don't you enter a team?

Many Livery Companies have already experienced the thrill of entering a team.

The racing which is over two days consists of a night parallel slalom on Friday night followed by GS on Saturday. The abilities of the skiers are truly mixed! At one end we have strong teams of young with racing experience and great nerve while at the other extreme we have teams of older, experienced skiers who should know better than to try to keep up with the young guard. Masters, Wardens, Clerks compete against freemen and women in go-fast-ski-suits.

While the event is aimed at raising money for the Lord Mayor's Appeal each year, this noble objective is often forgotten in the spirit of inter-livery friendship and rivalry. Receptions, parties and dinners are the focal point of the après-ski entertainment when all competitors and their supporters come together to celebrate their skiing experiences, both good and bad.
