UK SUPREME COURT APPOINTMENTS

I am writing to let you know that we have today launched the competition for the appointment of Lord Neuberger's successor as President of the Supreme Court; and for the appointment of Justices, following recent and forthcoming retirements. I **attach** the Information Pack for these competitions and the relevant link to the UKSC website is below.

Although you may not yourself be interested in applying, I am writing to you in the hope that you will pass on this information to anyone you know who may be.
